

Mâcon Engineering Students Visit to Crewe

10 engineering students from our twin town of Mâcon plus 3 tutors spent the day in Crewe on 10th October. They met at the Municipal Buildings and were greeted and given a conducted tour by the Mayor of Crewe and Nantwich Cllr Maurice Jones, the Mayoress Mrs Ann Jones, Clive Mosby Chairman of CANTA, Carol Lightfoot Secretary of CANTA and Trevor Lightfoot CANTA committee member.

After coffee they were taken on a tour of Crewe and the towns history explained. They then went to South Cheshire College where they had lunch in the College Restaurant cooked by the students and afterwards went on a conducted tour of the engineering work shops.

Later in the day they went to the Council Depot where they were met by the Leader of the Council Cllr. Brian Silvester.

They had a conducted tour of the workshops and were shown the dept. where the refuse lorries, grounds maintenance machinery and other HGV were serviced. They were also shown how our MOT service operates.
