The Worshipful the Mayor and President of CANTA, Councillor Maurice Jones welcomed everyone to the Twinning Associations third AGM.

He said he was a founder member of CANTA and wished to continue being an active member throughout his year of Mayoral Office.

He stated that CANTA had achieved a lot in its short history and could see that there would be even more achievements in the future. The biggest achievement was to be the organisation of the 'Fiftieth Anniversary' celebrations with Macon due to be held in Crewe and Nantwich at the end of June 2007 and he wished everyone well with its organisation.

He then handed over to Clive Mosby (Chairman) and asked him to give his annual report.

All members on the previous years' committee were happy to stay on which left two vacancies. Alan Wenham suggested that these be left open for two young members. All agreed.
